

## Flush-Mount Housing (GU 611-...)

### Product Details

Flush-mount housing made of dimensionally stable plastic, for fixing mounting frame MR 611-... using quick-fastening screw connections. With pre-punched cable entries. Scope for accommodation of separate hollow wall fastening accessory ZHB 612-... and plaster guard.

For clean installation, the flush-mount housing offers several cable holding-down devices and quick-action fixtures for combination terminals.

The flush-mount housing is supplied without mounting frame. The housings can be mounted in-row vertically or horizontally using provided accessories.

ZHB 612-0 – Framework wall fastener accessory for mounting flush-mount housing GU 611-... reinforces the GU 611-... during formwork wall mounting and ensures that no deformation of the flush mount housing takes place during compaction of the concrete.

### Specifications:
