

Plaster trim  
PB 611-3/1-0

Page 1

## Product description

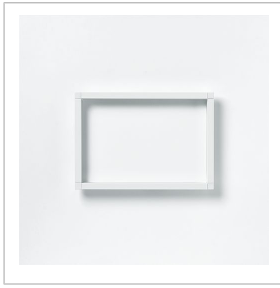

Plaster trim elements PB 611-... W are made of extruded aluminium sheath and are coated in white. They are used as a surround on the removal side of the BKV 611-3/... and form a tidy plaster edge. By use of a plaster trim element, a tidy, finished appearance is reached on the removal side of the letterbox system.
