

Plaster trim
PB 611-4/1-0

Page 1

Product description

Plaster trim elements PB 611-... W are made of extruded aluminium sheath and are coated in white. They are used as a surround on the removal side of the BKV 611-4/... and form a tidy plasteredge. By use of a plaster trim element, a tidy, finished appearance is reached on the removal side of the letterbox system.
